### TAPAS AND RICE WORKSHOP

**Price per person 65 €**  
Minimum group 12 pax

In this course we will learn to prepare 6 kinds of tapas and rice varieties and different processing techniques that combine traditional dishes with more innovative versions. The composition of tapas and rice change according to season.

This is a practical workshop in which everyone works together. in which we will cook together. Besides the workshop begins with a theoretical introduction rice varieties, quality, appropriate types of rice for each dish and other tricks. It includes all the ingredients and materials for the preparation of recipes, tasting wine and soft drinks. The workshop includes lunch or dinner.
