LUNCHS

The lunch is a reinforced cocktail service that can replace a meal. It is performed standing up, where guests can move freely through space, creating a relaxed atmosphere that promotes good social relations.

The cuisine of a lunch consists mainly on finger food and snacks, which do not require the use of tools such as plates and cutlery but unlike cocktail service can be implemented with buffet stations and tastings .

The waiters circulate among participants offering trays of food, drinks served from the bar and specialized waiters cater to bufets and stations.
